Walking around Vallière

Pour vous repérer :

La Villeneuve

Le Plaisir

La Prade

Moulin de Gasne

La Croix Petite

Le Boueix

La Lombrière

Le Masvaudier

Le Pont des Poupées

La Villeneuve

Place de l'Eglise

Departure Place de l'église, take the D7 direction Royère.

On the right hand side Château de la Villeneuve (private ownership, XV and XVI century) After the bend; take the path to the left. After 800 meters left bend. Then straight ahead, pass paths to the left and right.

In la Prade, take the road to the left (to your right, a granite cross) Walk 400 meters and take the path to the left, coming out on the D16

On the D16 go to the left and after 250 meters the path to the right (direction Moulin de Gasne) Walk past the Moulin and after passing the lake go up to the left.

You will pass the farm les Garennes. Walk through until an intersection (straight, return to Vallière), with a wooden cross on a granite pedestal, follow to the right a path that descends towards La Petite Croix. You walk through a forest on a path bordered with huge stones.

Before you reach la Petite Croix (if you see the houses), take the path to the left.

You enter Boueix on the D36. Turn left and after 200 meters take the path to the right.

Walk to la Lombrière. Right onto the D7 and after 50 meters take the trail to the left.

At the first junction turn right. (Left: you walk back, along the campsite, to Vallière)

Walk 200 meters, leave the trail to the right hand and walk straight through until the paved road.

There you go left, approximately 1.2 km to Masvaudier. On the right hand side stands a granite cross. Cross the intersection straight and walk to Epagnat.

After the first house in Epagnat take the path to the left.

After approximately 1 km you will see on the right the Pont des Poupées. (nice little bridge with 2 arches) Go over it and walk about 600 meters. Before the first house you see, take the right path. (Straight on; goes to Vallière)

You arrive on the D10, turn left here and walk about 700 meters. Then go right towards La Villeneuve. (350 meters after the bridge over the Banize, when you follow the course of the river to the right you can see an old stone bridge after 100 meters) Continue along la Villeneuve; walk through the village to the D7. Go left on the D7, direction Vallière.
